Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is an absolutely blank 24 page storybook in 5x8 inch size. That s bigger than a paperback, but not quite as big as a trade paperback. It s enough room to scribble on, without having to worry about filling a giant page! The cover is pretty much blank, too. I suggest drawing and then gluing the cover image on the front. You can also scan a drawing and print it out on a full page sticker. With a matte finish, you may be able to draw on the cover, but your results may vary. Inside, there is only a page number with a line above it on each page. Draw on this with crayon, colored pencil, or ink. Write, draw, doodle your heart s desire upon these pages!.
