Lulu.com, United States, 2014. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.While sub-Saharan Africa (SSA) has never been the centerpiece of U.S. foreign or defense policy, the current struggle of the United States and its allies against terrorist groups and individuals motivated by Islamic extremism has elevated the region to a front in the global conflict. In this Letort Paper, Dr. Donovan C. Chau examines U.S. counterterrorism policy in SSA. He begins by analyzing the policy debate in Washington, DC, especially the fundamental divergence of approaches between development and defense. From there, the paper shifts to a discussion of the attitudes and views of terrorism and counterterrorism in SSA. Vast and diverse, SSA is divided subregionally into East, West, and Southern Africa so as to highlight the different geographies, histories, threats, and perceptions. Given the debate in Washington and the perspectives from SSA, Dr. Chau answers the central question concerning the most effective long-term approach to counterterrorism in SSA.
