

## Linear Perspective Explained (Paperback)

Filesize: 8.1 MB

### **Reviews**

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## LINEAR PERSPECTIVE EXPLAINED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the PREFACE. It is a matter well known to all who have given attention to the subject, that a very general and strongly-marked increase of interest has been manifested in the study of Drawing within a few years past in the United States. The time has come when some practical knowledge of drawing is getting to be generally recognized by the public as an essential part of every thorough system of education. Drawing is now very generally taught both in our public and private schools. There is, however, no branch of the art more worthy of attention than that which forms the subject of this work, and there is none which receives so little. The ambition to have something to show, or the desire to make something pretty, misleads multitudes from a proper and systematic course of instruction. Those fundamental principles which lie at the basis of the art, and which teach us how we may accurately represent the forms and proportions of objects, are entirely overlooked. Weeks, and oftentimes months, are spent in copying, line for line, and dot for dot, some old ruin, and its usual accompaniments. The whole field of Art, save that which relates to color, is run over without the knowledge of a single principle involved. Those who have attempted the study, have, in most instances, spent their time in learning to copy the characters used in the expression of ideas, instead of studying the principles of the art. They have spent their time in pursuing the shadow, to the neglect of the substance. It has been the aim of the author, in preparing this work, to furnish the young with a text-book...
