The role played by the Cosmic Mind or the Universal Conscientiousness discrete presence can not be ignored in this universal reality full description. A vast conjectural theoretical investigation program points out directly to a supported Theory of Everything, having its core in the title magical words, Space and Motion. Get ready for an amazing incursion into the worlds of Physics, Cosmology, Philosophy or further Theology. Without wanting to explain everything, this book succeeds by giving new perspectives into this multiple subjects, creating a new matrix for global knowledge, which includes also the official science patterns, but going further into a vaster universal explanation. This is a revolutionary book, so it must be seen like such. Capable to create new theoretical programs of investigation, the future will tell its importance. Made for all readers who cares for these matters, it...
