Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Lori Terry)

THE NEW BLUE TRACTOR

Dog Ear Publishing, United States, 2007. Paperback. Book Condition: New. Richard Neuman (illustrator). 216 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.This first early reader uses simple text that encourages children to read on their own about tractors truly working hard all year long. A beginning-to-read book that is a must for any child who has an interest in tractors. The new tractor demonstrates the real work that a tractor performs on a real farm all through the seasons. The easy, repetitive text showcases the tractor's importance on a farm. Stacey Gabel Inspired by her young son's fascinations with tractors and his equally strong desire to learn, read and inspect anything to do with tractors, Stacey wanted to create a book for a genre that didn't seem to exist. She wanted to give young readers, like her son, something more than just tractor brochures to read. As a result, Stacey has authored a first reader book dealing with tractors and what these great machines accomplish on a farm. As a young girl growing up in Northwest Ohio, Stacey spent countless hours reading books, playing school and babysitting children. These same activities shaped her career as a middle school teacher and now author. Stacey holds a bachelor's degree in elementary education from the Ohio State University and a master's degree in elementary education from Bowling Green State University. She still resides in rural northwest Ohio with her husband and two children. Artist Richard Neuman transforms images of everyday life into universally appealing paintings - each with a touch of whimsy. His meticulously detailed pieces of artwork range from tractors to bulldozers; barns to baskets; lighthouses to schoolhouses. Richard holds a bachelor's degree in advertising design and a master's degree in...
