The Skeleton Book

By Robert Winston

DK Children. Hardcover. Condition: New. 72 pages. Did you know bones are 75% water? Learn more amazing facts in The Skeleton Book. Full of incredible computer-generated 3-D images, children can explore the bones of the body in great detail. Find out how the skeleton is flexible to make the body agile but provides support and strength to the body. Bones are stronger than steel, gram for gram, but are five times lighter and ten times more elastic. The Skeleton Book works down from the skull to the toes so that each one of the 206 bones are fully explored. This book also uses comparison to animal skeletons to help kids understand more about their bones and show how the human skeleton is unique. Explore the future of skeletons through modern prosthetics and see how 3-D printing can help people with missing limbs. An embossed cover and a pull out five-foot skeleton poster inside the book help give perspective for kids to study a life-size version of the human skeleton! The Skeleton Book is the ultimate guide to every bone in your body. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
