Lucis Press Ltd. Paperback. Book Condition: new. BRAND NEW, Treatise on Seven Rays: v. 3: Esoteric Astrology (New edition), Alice A. Bailey, The science of esoteric astrology is said to be the basic occult science for the future. It will come into its own as the esoteric or soul factors begin to supersede the exoteric focus of the vast majority of professional and amateur astrologers today. This is the science which deals with those conditioning and governing energies and forces which play through and upon the whole field of space and all that is found within that field. The Ancient Wisdom teaches that "Space is an entity". It is with the life of this entity and with the forces and energies, the impulses and the rhythms, the cycles and the times and seasons, that esoteric astrology deals. Esoteric astrology can be applied by the trained worker in a variety of ways; in medicine, psychology, science, education; to an evaluation of human problems, of the destiny of nations, of a correct interpretation of world affairs, and so on. It is necessary, however, that at this stage the application of esoteric astrology to human life should be recognised as experimental and tentative, so that each individual worker can adjust his thinking and his methods according to his own wrought-out experience. As with all other aspects of occultism and esotericism, accuracy and facility to work depend entirely on a consciousness evolving out of control by the personality into the life of the soul, out of separateness and self-centredness into a realisation of unity, and absorption into a centre of group consciousness. Astrology is described in this book as "the science of relationships" - the relationship existing between all living organisms within the universe. Not only the qualities of the ray energies affect these...
