FOOD IS CULTURE (HARDBACK)

Columbia University Press, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book. Elegantly written by a distinguished culinary historian, Food Is Culture explores the innovative premise that everything having to do with food-its capture, cultivation, preparation, and consumption-represents a cultural act. Even the choices made by primitive hunters and gatherers were determined by a culture of economics (availability) and medicine (digestibility and nutrition) that led to the development of specific social structures and traditions. Massimo Montanari begins...
