MARSH MADNESS (PAPERBACK)

Booklocker.com, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Those of us addicted to the magic of the Fall marsh have that special symphony of it hardwired into our cerebral cortex like a song. During the off seasons, we dream about it. The vision of the sky filled with waves of migrating waterfowl riding the wind currents, the ragged clouds sky ripped by the storm of winter, is like a religion to us. We celebrate the special qualities of the waterfowl dawn, the rustle of wings, the silhouettes against the dim glow of the pre-dawn dark, the first rays of the rising sun. As hard as it is to describe with justice, the special qualities of the experience become even harder to deny. This book contains essays written against that special backdrop, intended to capture the range of those experiences, the spiritual, the practical and the comical. Those moments represent a pulse of the Earth that resonates with us, a spiritual celebration of our special connection with the lives of wild beings that we both love and exploit.
