ONE SCOTTISH LASS - A REGENCY TIME TRAVEL ROMANCE (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Samhain. All Hallows Eve. The most mystical night of the year. The time when the veil between the worlds became perilously thin. And with a full moon overhead, this awesome power reaches its climactic height. Sorcha had no time for mystical nonsense - there were enough challenges in navigating the mine-field of her mother's vicious temper and the most important event of her young life. For, at long last, she had left Edinburgh to see the world. She and her mother were visiting the elegant city of Bath. Sorcha was wearing the finest dress she'd seen - and she was stepping into a life she'd only dreamt of. But when Johnny's eyes meet hers, and jealous rivals vow revenge, that delicate layer between what is and what once was rips. It shreds like the fragile thread of one's life. One Scottish Lass is the first novella in the regency time travel romance trilogy. The second novella in the series is A Time Apart. The first two novellas end in cliffhangers, while the third provides a happy ending. The series then will continue in another trilogy - those will be coming out over the coming weeks. These stories are teen-friendly with no explicit language, violence, or intimacy. All proceeds benefit battered women's shelters. Note that for those who prefer reading books in all-in-one form, each trio of novellas will also be compiled as a completed box set once all three are done. It just means you have to be patient and wait for me to finish writing all of them:). For those who prefer to read along as I write, and offer suggestions for me...
