

Mad Travelers: Reflections on the Reality of Transient Mental Illnesses (Hardback)

By Ian Hacking

University of Virginia Press, United States, 1998. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. An occasional employee of a local gas company, Albert Dadas suffered from a strange compulsion that led him to travel obsessively, often without identification, not knowing who he was or why he travelled. He became notorious for his extraordinary expeditions to such far-reaching spots as Algeria, Moscow and Constantinople. Medical reports of Dadas set off at the time a small epidemic of compulsive mad voyagers, the epicentre of which was Bordeaux, but which soon spread throughout France to Italy, Germany and Russia. Today we are similarly besieged by mental illnesses of the moment, such as chronic fatigue syndrome and attention deficit hyperactivity disorder. The debate rages about which of these conditions are affectations or cultural artefacts and which are real . In Mad Travellers , Ian Hacking uses the Dadas case to weigh the legitimacy of cultural influences versus physical symptoms in the diagnosis of psychiatric disorders. He argues that psychological symptoms find stable homes at a given place and time, in ecological niches...
