Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

RODEO RAG: SHEET

Alfred Music, United States, 2011. Paperback. Book Condition: New. 216 x 102 mm. Language: English . Brand New Book. Beginning students can experience the fun of ragtime with this delightful solo written in G major and 4/4 meter. The left hand contains an accessible accompaniment that keeps all of the intervals within the range of a fifth and moves between C major, G major, and D minor 5-finger patterns. The single-line melody is syncopated and occasionally harmonized with intervals and triads in the right hand. It is then repeated in the left hand. This piece is a great supplemental work full of energy and spunk! -Jean Ritter, Progressions Magazine.
