THE BOMB (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Bomb Though at times he named Brighton, Eng land, as his birthplace, amid other variants of his curriculum vitae, it seems likely that he first saw the light at Galway on the west coast of Ireland, on St. Valentine s Day in 1856, and that he was christened James Thomas Harris. His parents were Plymouth Brethren, of the most fundamentalist of Protestant sects, and were probably Welsh. His mother died when he was very small. His father was a seafaring man who had managed to work his way up in the Royal Navy from ship s boy to lieutenant in command of a revenue cutter, no mean feat in those days. The father was always at sea. The children lived higgledy-piggledy, shifting from one small school to another as they followed their father s ports of call. Ireland was in a state of barely suppressed revolt. These were the days of the Fenian troubles. Harris, who had been a great reader of Captain Marryat, told in later life of his bitter disappointment that his father failed to get him into the Royal Navy when he was fourteen. He always blamed his father for that. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
