Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Jesuit Relations and Allied Documents, Vol. 3: Travels and Explorations of the Jesuit Missionaries in New France, 1610-1791 Following is a synopsis of the documents contained in the present volume: XIII. Biard writes from Amiens (May 26, 1614) to the general of the order, reporting the planting of St. Sauveur mission, the attack by Argali, the captivity of the Jesuit missionaries, and their safe return to France. XIV. Biard's Relation of 1616 opens with an historical sketch of French discoveries in New France. The climate of the country, its forests, and its inhabitants, are described; the writer discourses on the mode of life among the savages, their dwellings, tribal organization, polity, women, marriage, medicine, practices of witchcraft, burials, etc. As a basis for missionary work, he advocates the establishment of a colony which shall be properly supported in France, and to this end appeals to the sympathies of Catholics at home. Much space is devoted to answering the attacks on the Jesuit missions of New France, made by an anonymous pamphleteer, who has been supposed to be Lescarbot himself. Continuing with a report of his own movements, Biard describes the voyage made by himself and Biencourt as far as the Kennebec River, and the privations and hardships of the colony during the ensuing winter (1611-12).
