Reviews

Very beneficial to all category of folks. I really could comprehend every little thing out of this created e publication. I found out this book from my dad and i encouraged this ebook to discover.
(Maia O'Hara)

CATHOLIC FIGURES, QUEER NARRATIVES

Palgrave Macmillan. Hardcover. Condition: New. 240 pages. Dimensions: 8.4in. x 5.4in. x 0.7in. This new volume of essays examines the relationship between Catholicism and homosexuality. Why did so many literary Modernists embrace Catholicism? What is their relationship between historical homophobia and contemporary struggles between the Church and the homosexual? Moving from the Gothic to the late Twentieth-century, from Britain to America and France, *Catholic Figures, Queer Narratives* interrogates what is queer about Catholicism and what is modern about homosexuality. The result is a radical revision of the sacred - in life and art, the body and devotion. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
