

Divine Enterprise: Gurus and the Hindu Nationalist Movement (Paperback)

Filesize: 8.21 MB

Reviews

Without doubt, this is actually the best job by any publisher. It is writter in basic phrases instead of difficult to understand. You will like the way the author publish this publication.
(Dr. Marvin Deckow)

DIVINE ENTERPRISE: GURUS AND THE HINDU NATIONALIST MOVEMENT (PAPERBACK)

The University of Chicago Press, United States, 1996. Paperback. Condition: New. New edition. Language: English . Brand New Book. Through shrewd marketing and publicity, Hindu spiritual leaders can play powerful roles in contemporary India as businessmen and government officials. Focusing on the organizations and activities of Hindu ascetics and gurus, the author explores the complex interrelations among religion, the political economy of India and global capitalism. McKean traces the ideological and organizational antecedents to the Hindu nationalist movement. The Indian state's increasing patronage of Hindu institutions makes competition increase its support. Using materials from guru's publications, the press and extensive field research, McKean examines how participation by upper-caste ruling class groups in the Divine Life Society and other Hindu organizations further legitimates their own authority. With a selection of photographs and advertisements showing icons of spirituality used to sell commodities from textiles to cement to comic books, the work illustrates the pervasive presence of Hindu imagery in India's burgeoning market economy. It shows how gurus popularize Hindu nationalism through imagery such as the goddess, Mother India, and her martyred sons and daughters.
