Journal of Psychological Medicine and Mental Pathology, 1858, Vol. 11 (Classic Reprint) (Paperback)

By Unknown Author

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Journal of Psychological Medicine and Mental Pathology, 1858, Vol. 11 It is a curious and interesting study to trace the variety of opinions which have been held concerning the respective existence and the mutual relations of the Body and the Intellectual Principle - opinions which have, in turn, taken up every position between the absolute non-existence of Mind, save as a form or function of Matter, on the one hand; and, on the other, the merely phenomenal existence of Matter dependent upon the variations of a sentient or thinking immaterial existence, the Mind. It was only at a comparatively late period in the world s history that Mind obtained from philosophy its formal recognition as a distinct entity; as something superadded to, and distinct from, Matter; closely united, yet not allied; dependent for its manifestation, but independent in essence. In these latter days, when Mind and Matter are the watchwords equally of domestic discussion, of rival though friendly schools of philosophy, and of fierce sectarian controversy, it is difficult for us to realize to ourselves the state of the...
