The only thing between his Marines and safety was eighty-five miles of uncharted, waterless terrain and two thousand bloodthirsty savages with state-of-the-art weapons in their hands and murder on their minds. But the enemy didn t reckon on the warrior cunning of Marines Marine Charlie Bass and the courage of the few good men who would follow him anywhere--even to death. . . HARD TO PUT DOWN . . . Any book written by Cragg and Sherman is bound to be addictive, and this is the first in what promises to be a great adventure series.
