Grand Central Publishing. Paperback. Condition: New. 464 pages. Reader, she married me. For one hundred seventy years, Edward Fairfax Rochester has stood as one of literatures most romantic, most complex, and most mysterious heroes. Sometimes haughty, sometimes tender-professing his love for Jane Eyre in one breath and denying it in the next-Mr. Rochester has for generations mesmerized, beguiled, and, yes, baffled fans of Charlotte Brontës masterpiece. But his own story has never been told. Now, out of Sarah Shoemakers rich and vibrant imagination, springs Edward: a vulnerable, brilliant, complicated man whom we first meet as a motherless, lonely little boy roaming the corridors and stable yards of Thornfield Hall. On the morning of Edwards eighth birthday, his father issues a decree: He is to be sent away to get an education, exiled from Thornfield and all he ever loved. As the determined young Edward begins his journey across England, making friends and enemies along the way, a series of eccentric mentors teach him more than he might have wished about the ways of the men-and women-who will someday be his peers. But much as he longs to be accepted-and to return to the home where he was born-his father has made clear that Thornfield is reserved for his older brother, Rowland, and that Edwards inheritance lies instead on the warm, languid shores of faraway Jamaica. That island, however, holds secrets of its own, and not long after his arrival, Edward finds himself entangled in morally dubious business dealings and a passionate, whirlwind love affair with the towns ravishing heiress, Antoinetta Bertha Mason. Eventually, after a devastating betrayal, Edward must return to England with his increasingly unstable wife to take over as master of Thornfield. And it is there, on a twilight ride, that he meets the stubborn, plain, young governess...
