

Quantum Thoughts: 300 Ideas to Change Your Life

By Hector Sampson

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In a time when we are all looking for quick and easy answers to our deep and heavy existential problems I have found quotes to be a neat help to learn and understand complex lessons and in some cases a fast way to get some answers in a swift and effective way. Thanks to the initiative and help of some friends and students I have been able to gather a selection of 300 sentences taken from my books, courses, videoconferences, personal talks etc. I would like to thank all the people who helped me to select these quotes as most meaningful for them and as usual with the hope that these quotes might help you in anyway as a starting point to start your own search or a pretext to consider a different point of view, I present you this collection of thoughts that follow my line of thought and give you in just 300 sentences a glimpse and summary of my way of seeing and acting in my life. May this work give you some new ideas...
