The national bestselling authors of the Missing Pieces Mysteries summon up the first Retired Witches Mystery in a brand new supernatural series. Once upon a time in Wilmington, North Carolina, three witches ran a curio shop named Smuggler's Arcane. But as the years passed, their magical powers started to fade--leaving them no choice but to conjure up a retirement package. Before they could blink their eyes or twitch their noses, Molly, Elsie, and Olivia somehow became eligible for AARP. But they can't fly off to Boca Raton just yet. First they must give up their magic, recruit and train three new witches, and pass on their cherished spellbook. They've barely begun to consider potential practitioners when Olivia winds up dead and their spellbook is stolen. To honor their friend and reclaim their spells, Molly and Elsie are about to go wand-to-wand with a dangerous young witch more powerful than the trio was in their prime. And this time they're going to need more than magic up their sleeves.
