Anness Publishing. Paperback. Book Condition: new. BRAND NEW, Sticker Fun: Making Groups, Armadillo Press, This title comes with over 50 reusable stickers. This stimulating play-and-learn book is fun to look at, exciting to do, and shows young readers how objects can be grouped, mixed and matched in different ways. It is filled with action photographs of children, animals and toys that youngsters can identify with. Sticker activities put learning into practice and make it a pleasure rather than a chore - find the missing red fruit, locate a present that fits a triangular shape, identify groups by pattern or shade, seek out the cuddly pet animal, and much more. Reusable stickers offer hours of entertainment. Pictures interact with simple text to help children develop sorting and reading skills. You can provide an excellent start to your child's learning with this exciting sticker book. Packed with bright pictures and interactive stickers, this lively activity book will teach young readers all about things that match or go together. Children will delight in finding the missing glove, sticking down snowflakes, applying the correct text labels to groups of related objects, adding a model toy, and all the other sticker fun. All the stickers are reusable, so youngsters can complete the activities over and over again, or use them to make their own sticker books and posters. This engaging play book makes it easy to make groups, and to learn.
