THE FUN TO READ RHYMING WITH REALLY COOL PICTURES ABC BOOK

Old Line Publishing, LLC. Paperback. Book Condition: New. Christopher M Saghy (illustrator). Paperback. 34 pages. Dimensions: 10.0in. x 8.0in. x 0.1in. Teaching your child the alphabet has never been this much fun! Children and parents alike will get a real kick out of the incredible words and fun-to-look-at pictures Christopher Saghy uses to up the ante on the traditional alphabet book. Saghy keeps some of our old friends in there like M is for Monkey and D is for Dog but mixes in some surprise characters that will definitely broaden your child's vocabulary. Plus, the whole thing is a blast to read due to the fluid, fun to read rhyming style the author employs. A cartoonist at heart, Saghy has found the right mix of children's book illustration and his own unique comic strip style that makes the pictures inviting and instantly recognizable. The experience of reading the text combined with looking at the pictures is guaranteed to put a smile on the faces of both you and your children. Long after you stop reading this to them, your children will be going back to this one and reading it on their own. . . Its that much fun to read! Whats more is that the whole thing builds up to a conclusion that encourages your young one - and maybe even you - to get up and create something special of their very own. How cool is that The Fun to Read RHYMING with Really Cool Pictures ABC Book deserves a place on every child's bookshelf! This item ships from multiple locations.
