Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Ontario High School Reader It has been considered advisable to make some changes in the High School Reader, in order that it may more adequately meet the present needs of pupils in the secondary schools. Owing to the wealth of literature to which the world-upheaval of the past few years has given rise, some of the selections in the former edition have been replaced by prose and verse dealing with different phases of the Great War. In dealing with each lesson the teacher should first ascertain the elements of vocal expression that it best exemplifies. He should then discuss these elements with the pupils, using the necessary paragraphs of the Introduction, and such black-board exercises as he may deem necessary, until he is satisfied that the pupils are ready to undertake the study of the selection. At the oral reading the pupils should be able to show their mastery of the principles thus taught. Toward the close of...
