

The Oxford Handbook of Evidence-Based Management (Paperback)

Filesize: 2.41 MB

Reviews

This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who statte there was not a really worth studying. You are going to like the way the blogger publish this publication.

THE OXFORD HANDBOOK OF EVIDENCE-BASED MANAGEMENT (PAPERBACK)

[DOWNLOAD](#)

Oxford University Press Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. From medicine to education, evidence-based approaches aim to evaluate and apply scientific evidence to a problem in order to arrive at the best possible solution. Thus, using scientific knowledge to inform the judgment of managers and the process of decision-making in organizations, Evidence-based Management (EBMgt) is the science-informed practice of management. Written by leading experts in the study and practice of EBMgt, The Oxford Handbook of Evidence-based Management provides an overview of key EBMgt ideas and puts them in context of promoting evidence-based practice. Furthermore, it addresses the roles and contributions of practitioners, educators, and scholars - the primary constituents of EBMgt - while providing perspectives and resources for each. Divided into three sections (research, practice, and education), this handbook examines the realities of everyday management practice and the role EBMgt can play in improving managerial decision making and employee well being and instructs educators in their roles as designers of curricula and resources. As the first major volume to capture the spirit of this emerging movement, The Oxford Handbook of Evidence-based Management shows how practitioners can use high-quality knowledge gleaned from scientific research in order to make better use of available data and ultimately make more mindful decisions.
