Cornerstone. Paperback. Book Condition: new. BRAND NEW, Cemetery Lake, Paul Cleave, What began as a routine exhumation of a suspected murder victim quickly turns complicated for private investigator Theodore Tate. Theo Tate is barely coping with life since his world was turned upside down two years ago. As he stands in the cold and rainy cemetery, overseeing the exhumation, the lake opposite the graveyard begins to release its grip on the murky past. When doubts are raised about the true identity of the body found in the coffin, the case takes an even more sinister turn. Tate knows he should walk away and let his former colleagues in the police deal with it, but against his better judgement he takes matters into his own hands. With time running out and a violent killer on the loose, will Tate manage to stay one step ahead of the police? Or will the secrets he has buried so deeply be unearthed?.
