MY BEAR GRIZ

Frances Lincoln Children's Books. Hardcover. Condition: New. Suzanne McGinness (illustrator). 32 pages. Dimensions: 12.1in. x 10.3in. x 0.2in. Billy has a bear called Griz. A Grizzly Bear. And the two friends have all kinds of wonderful adventures together. They go exploring, they play hide and seek, they eat peanut butter and honey sandwiches, share secrets and tell jokes. They even go out at night to do some stargazing - and their favourite constellation is the Great Bear of course. Griz is the best friend a boy could possibly have. And is he a real Grizzly Bear or a teddy bear Well, that's for every reader to decide, but there are definitely big bear pawprints leading out of the book! This painterly picture book, with its spare text, including speech bubbles, and its wonderful full-page images of a very real bear, is an exciting debut by an American artist who studied illustration in the UK. It's a book for reading aloud to young children, but will be enjoyed equally by older children and adults. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
