The Athenian Agora: Site Guide (5th ed.) (Paperback)

By II John McK. Camp, Craig A. Mauzy

American School of Classical Studies at Athens, United States, 2010. Paperback. Condition: New. 5th ed.. Language: English . Brand New Book. This definitive guide to the archaeological remains in the civic and commercial center of ancient Athens is an essential companion to the interested visitor, as well as to students of the topography of the classical city. A large-scale map provides an overview of the site, keyed to descriptions and plans of every monument still visible from the majestic Temple of Hephaistos to the utilitarian Great Drain. The fifth edition retains many of the elements that made the earlier editions so popular, but also takes full account of new discoveries and recent scholarship. It is intended for visitors touring the site, and is arranged topographically, monument by monument. Also included are an overview of the historical development of the site and a history of the excavations. A companion guide to the Agora Museum in the Stoa of Attalos is also available (The Athenian Agora: Museum Guide, by Laura Gawlinski, 2014).

Reviews

This composed pdf is great. It usually will not cost too much. I am very easily can get a pleasure of reading a composed book.

-- **Luis Klein**

It becomes an remarkable publication that I have possibly go through. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is basically the best ebook we have study inside my individual existence and can be he greatest book for actually.
