Taylor Francis Ltd, United Kingdom, 2012. Hardback. Book Condition: New. New.. 229 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.East Asia is widely regarded as the main winner in contemporary globalization, unscathed by the economic crisis of 2008, with its leading new industrializing nations and emerging economies. While 20th-century globalization was mainly led by the West, the 21st century is ushering in different dynamics. The re-emergence of Asia involves alternative visions of the world and different perspectives on globalization. This volume seeks to address these dimensions, turning to local reflexivities, notably in South Korea and China, to explore the key debates in sociology and political economy within East Asia rather than from an outside view.
