

How to Die Well: You Know You Are Going to Die.Now What? (Paperback)

By Dr Michael F Conrad

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is not much written on how to die, much less a spiritual preparation for death. Read this, if you are diagnosed with AIDS, or some form of cancer, or told you are going to die. Now what? Panic? Hopelessness? Fear? Maybe all of the above? We are more fearful of talking about death than we are about sex. Remember how you felt when you first found out about sex? As you get older, you forget those feelings of insecurity and embarrassment. People are reluctant to talk with you about dying, because they must face their own dark side. This is a book about how to die well. It is actually a book about how to live well, and embrace the quality of life in whatever time you have left. All of us fit into that category. Intellectually, we know that every one of us must die, and pay taxes, as the saying goes. It is also true that, for almost all of us, we don't know when we are going to die. It is just the shock of your...

Reviews

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

-- Raina Simonis

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom Its been designed in an exceedingly simple way and is particularly simply following i finished reading this publication through which actually modified me, alter the way i really believe.

-- Bernhard Russel
