NO VACANCY (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Don t allow just anyone to take up free space or room in your heart or mind or bed. Being selective should never be considered a bad trait. Know that you are worth more than you can possibly believe. Take a short journey with the characters in this poetry collection as they experience longing and loss, losing and loving, choosing the wrong mates and hating themselves because of that but still desperately holding on to them because that s what we humans do: crave the body electric and cherish the burning of our souls in love. It doesn t matter if you are gay or straight, male or female, save some room in your life for true intimacy.sex is highly overrated.
