TEACHING ETHICS IN PRIMARY SCIENCE

Barbara Elizabeth Ryan
Teaching ethics in primary
science
Planning support for teachers

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Planning support for teachers | This book focuses on teaching ethics in primary science classrooms. Such teaching is important because it engages students not only in the human aspects of science, but also in science more generally, leading to enhanced scientific literacy and ultimately contributing to responsible citizenship. Teaching ethics in science also presents opportunities for developing students argumentation, critical thinking and decision-making skills, and helps students become more ethically aware, knowledgeable...
