THE CHELATION CONTROVERSY HOW TO SAFELY DETOXYFY YOUR BODY

Basic Health Publications. Paperback. Book Condition: New. Paperback 60 pages. Dimensions: 8.1in. x 5.5in. x 0.5in. If you live in this modern world of ours, your body is being exposed to oxidizing chemicals and heavy metals such as aluminum, arsenic, cadmium, and lead on a daily basis. When your body starts accumulating toxins faster than it can eliminate them, it begins to store them in your tissues. These stored toxins initiate degenerative processes in your body that can lead to diseases...

Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if yo u question me).

-- **Nannie Lindgren Jr.**

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Kian Harber**
