Flying Eye Books, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. There are few things that little children enjoy more than catching grown-ups in a lie. Well, this book is littered with them, turning every general assumption on its head in a completely Topsy Turvy World of blatant falsehoods and conspicuous role reversals. From science and the natural world to time honored children s fairy tales, Atak s book teaches with humor what s right, by highlighting everything wrong in these images as mice chase cats and firemen douse water with flames . . . A wordless book with beautiful illustrations on every page illustrated by one of Germany s best known and loved illustrators, Atak.
