

Agent Fifi and the Wartime Honeytrap Spies (Paperback)

By Bernard O Connor

Amberley Publishing, United Kingdom, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Very Special Agent Fifi was described as `one of the most expert liars in the world . Employed by the Special Operations Executive (SOE), Churchill s wartime spook organisation, her job was to entrap trainee agents and test their mettle in the field. Kept secret for seventy-five years, her existence long treated as a myth, Fifi s files were declassified in 2014 and her identity revealed. She was Marie Chilver, a half-Latvian, half-British escapee from occupied Europe. Marie s extraordinary story reveals the inner workings of Britain s secret services and the lengths the SOE would go to in equipping their agents for their highly dangerous espionage work in Nazi-dominated Europe.
