

Big Questions, Worthy Dreams: Mentoring Emerging Adults in Their Search for Meaning, Purpose, and Faith (Hardback)

By Sharon Daloz Parks

John Wiley and Sons Ltd, United Kingdom, 2011. Hardback. Condition: New. Revised 10th Anniversary Edition. Language: English . Brand New Book. Building on the foundation she established with her ground-breaking book, *The Critical Years*, Parks invites us to take up responsibility for providing thoughtful mentorship and mentoring environments during the wilderness years of young adulthood. In this updated edition she addresses recent current events: violence in our culture, smart phones, mixed spirituality/religious identities, social media/networking, the economic crisis, changing racial identity, cultural shifts and other forces shaping the narrative of young adulthood today. She provides concrete ways of employing the theory in different types of mentoring communities, more on the relationship between meaning-making (faith/religion/spirituality) and disciplinary learning and includes new (and more timely) stories and illustrations.
