

The Corridor of Certainty (Paperback)

Filesize: 6.56 MB

Reviews

This pdf is wonderful. We have gone through it and so I am certain that I am going to go back to study it yet again once more in the future. It has been developed in an exceedingly straightforward way which is merely after I finished reading through this pdf where it really transformed me, modified the way I think.

Simon Schuster Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Geoffrey Boycott is one of the most outspoken and knowledgeable voices on cricket - but this book opens up a whole, new personal side to his life. Thirteen years ago, he received the diagnosis that tore his world apart: he had cancer of the tongue. Having faced down the fastest bowlers during his career as one of England's greatest-ever batsmen, he now had to take on an even more daunting foe. In this fascinating new book, his first autobiographical work for more than 15 years, Boycott not only relives his terrifying battle with cancer but also writes movingly about his long-time love Rachael, and their daughter Emma. He talks about his many other interests and friendships beyond cricket, with a great chapter on Brian Clough as well as revealing some surprising enthusiasms: Boycott and Katy Perry? But Boycott has devoted his life to cricket, and his insights on the game, its players and those who write and talk about it are never less than frank, revealing, entertaining and very honest. He assesses the modern generation of players: how does he rate England's prolific captain Alastair Cook? And is Kevin Pietersen a batting genius or a player who has frittered away his talent? His opinions come with the authority of someone with profound knowledge of and love for the sport. In commentary, he refers to the corridor of uncertainty for a batsman - but with Geoffrey Boycott there is never any room for that, which is why this book is such a compelling and entertaining read.
