

Craft Brewed Jesus (Hardback)

By Michael Camp

Resource Publications (CA), 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What if the modern American church has its Christian history wrong? According to ex-evangelical Michael Camp, most American believers fail Christian History 101. Drawing on his own historical research and missionary experience, he discovers that most popular Christian views of the Bible, church, sin, salvation, judgment, the kingdom of God, the end times, and the afterlife--pretty much all religious sacred cows--don't align with the beliefs of the original Jesus movement. Some of them not even close. Camp's Craft Brewed Jesus paves a fascinating journey of a group of disillusioned evangelicals and Catholics. When they decide to meet regularly over craft beers to study the historic foundations of their faith, their findings both rock their world and resolve ancient mysteries. They examine well-documented narratives of the early Jesus saga, Eastern streams of a lost Christianity, and the roots of our modern religious assumptions, all while striving to steer clear of either a conservative or liberal bias. What they uncover is a vital, refreshing spiritual paradigm no longer at odds with reality. Grab your brew of choice and trace this transformational journey...
