Jabberwocky Literary Agency, Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In these seven contemporary fantasies from Tanya Huff, we see a dog's eye view of loyalty and a cat's eye view of sea serpents. We learn that some Brownies could use a shave - although cookies will still be sold - and that there are at least two sides to every relationship, no matter how accidental and/or mythical that relationship is. We're also reminded that however worthwhile it may be to die with purpose, it's better to live well. Huff's ability to leaven heartache with humour - and vice versa - gives this collection of previously published stories an unexpected emotional variety. A December release, *He Said, Sidhe Said* also includes the seasonally appropriate *I'll Be Home for Christmas*.
