LAW SCHOOL DONE RIGHT: PROVEN TIPS FOR SUCCESS FROM RECENT GRADS WHO KILLED IT (PAPERBACK)

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Law school is a strange game, and when you re starting out it seems like no one knows the rules. It s crucial to hit the ground running, but how? Trust the folks who ve been there to distill what matters and toss the rest. Michael Seringhaus and Brian Savage have been through law school - Savage at Michigan and Seringhaus at Yale - and after a couple years sharing advice with friends, created Law School Done Right, a trim and potent little guide to what matters and what works in law school. What do you wish you d known when you started law school? That s the simple question the authors posed. Seringhaus and Savage compiled their own best tips, and then polled dozens of colleagues and former classmates. This group included recent grads of law schools both inside and outside the U.S. News Top 50-grads who scored jobs at top national law firms, who landed prestigious judicial clerkships (including U.S. Supreme, Federal Appellate, Federal District, and State Supreme Courts), and some who are now young law professors themselves. When it comes to law school, these folks killed it. And you can too. Law School Done Right distills this invaluable expertise into bite-sized advice. There s no filler, just proven tips covering all aspects of law school life. Read them, and do it right. This revised and updated print edition contains updated content including an all-new section on choosing a law school.
