Public Schools: Their Construction, Heating, Ventilation, Sanitation, Lighting and Equipment (Classic Reprint) (Hardback)

By G L Lockhart

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Public Schools: Their Construction, Heating, Ventilation, Sanitation, Lighting and Equipment The people of this country are waking up to the realization, that education is the fundamental need of the growing generation, that our country can be sustained in its upward progress only by the proper development of the intellectual, moral and physical, in the growing child. More and more, we realize that our greatest debt and most sacred obligation is to our children, and that no expense is too great, no tax too heavy to bear, if it means their betterment; and in order to obtain this result, it is necessary to have modern improved facilities in keeping with the advancement of the age in which we live. A glance backward over the wonderful progress made in all lines of endeavor during the past twenty years should convince any right thinking person that the schools of twenty years ago are inadequate for the needs of today. As we discard the scythe for the modern mowing machine, or the old fashioned cradle for the new improved binder and reaper, so, in...
