Elementary Psychology: Or First Principles of Mental and Moral Science (Classic Reprint)

By Daniel Putnam

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Elementary Psychology: Or First Principles of Mental and Moral Science Know thyself is a very ancient maxim. The affirmation that, The proper study of mankind is man, is less ancient, more poetic, and equally worthy of acceptance. To know one's self is to know man; to know man is to know mind, since mind alone constitutes the real man. It is coming to be felt by students and teachers that the science of mind has claims upon their attention equal, at least, to those of the physical sciences, of history, or of language and literature. In this feeling the writer shares very fully. One serious obstacle to the study of psychology in secondary schools has been the lack of text-books adapted to the degree of development and attainments of the pupils, to modern methods of investigation and instruction, and to the attainment of results which should be secured by such study. This book owes its existence and its form to the long experience of the author as a teacher of the elements of mental and...
