Bolinda Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Victoria has chosen career over love, but starts to question this decision when she finds herself working at a remote weather research station on a tiny island off the coast of Norway. In this world of midnight sunshine, the Old Gods still watch the affairs of humanity, and one of them has become fixated on Victoria, certain that she is the reincarnation of a woman he fell in love with over a thousand years before; a love affair which threatened the very existence of Asgard. Dangerous love and desire are soon running out of control, as the spectacularly supernatural obliterates Victoria's refuge in scientific rationalism.
