Finding Stillness, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Today I Choose is a daily inspiration guide to help you live an intentional life. Part inspirational, part journal, part oracle, Today I Choose invites the reader to develop the habit of intention setting through these 365 suggestions. The habit of setting a daily intention is a powerful spiritual practice. I've made it a part of my daily ritual for years. Before I started, I had been doing a lot of study and testing around the power of intention; not in the law of attraction. I'm going to manifest everything I want way. But more in the, I'm co-creating with my Divine and I'm going to live actively in that practice way. For me, intention is a message to Spirit. It's me saying, Use me. I'm ready. I'm working with you, not against you. So by choosing every day, I'm sending a message to the Universe: I'm ready to co-create with you. This daily practice has changed my life. I start each day by making a choice as to how I'm going to live. I set an intention for how I will look at the world, how I will act in the world, what I might feel, and how I want to show up for my family, friends, and self. Some days, I'm true to my choice. Other days, I fall flat on my face within minutes of choosing. My invitation to you with this book is to simply start - to start living your life with intention and as a result may you find yourself in active co-creation with Source. Melissa Bingham is a spiritual teacher, intuitive guide, writer,...
