

Global Health Watch 4: An Alternative World Health Report (Paperback)

By People's Health Movement, Medact, medico international

ZED BOOKS LTD, United Kingdom, 2014. Paperback. Condition: New. 4th Revised ed.. Language: English . Brand New Book. Global Health Watch, now in its fourth edition, is widely perceived as the definitive voice for an alternative discourse on health and healthcare. It covers a range of issues that currently impact on health, including the present political and economic architecture in a fast-changing and globalized world; a political assessment of the drive towards Universal Health Coverage; broader determinants of health, such as gender-based violence and access to water; stories of struggles, actions and change; and a scrutiny of a range of global institutions and processes. It integrates rigorous analysis, alternative proposals and stories of struggle and change to present a compelling case for a radical transformation of the way we approach actions and policies on health.
