

Handbook of Shoe Factory Engineering (Classic Reprint) (Hardback)

By United Shoe Machinery Company

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handbook of Shoe Factory Engineering The material and data contained within this little book are the result of many years investigation and experience in the designing and equipping of modern factories - particularly as applied to the manufacture of shoes. The remarkable economies and increased efficiency to be obtained by conducting manufacturing operations in buildings especially designed to meet the particular requirements of the industry with full consideration paid to the modern development of those important elements which have to do with light, heat, power, equipment and interior organization, have but recently attracted the attention of shoe manufacturers.
