Snow Angel: SSAA vocal score (Paperback)

By -

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: N/A. Brand New Book. for SSAA, solo cello, djembe, and piano Already a firm favourite with choirs across the world, Snow Angel is an evocative five-movement choral work that explores themes of love, rebirth, and beauty through the eyes of children and the heavenly army of angels that watch over them, yearning to make a difference to their lives. The work may be performed with narration, in which three angels present their perspectives on their earthly charges. Quartel weaves a haunting and poignant cello line throughout the work, and a vibrant part for djembe in movement four, Sweet child, carries the listener from the ethereal and mystical realm the work predominantly inhabits into an emphatic anthem with a distinctly African feel. The musical language is emotive and pictorial, allowing performers to play an active role in the storytelling. Snow Angel is also available in a version for SATB.
