

Python: Learn Python in One Day (Paperback)

By Kevin Lyn

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Recently, the Python programming language has gained much popularity in the world. Programmers who are excellent in it like to identify themselves with the language as Python Gurus. Most people have begun to like the language due to this, as everyone wants to be seen as an expert in it. Programmers have used this language to develop some of the best and most amazing websites and web applications. For instance, many of the most secure websites are Python-based. This shows how powerful and strong the language itself is. Complex and amazing computer and other device games have also been developed using Python. The language offers numerous and amazing Graphic User Interface (GUI) components, which make it possible for programmers to create terrific GUIs for their clients.
