REAL DEEP STORIES (PAPERBACK)

Austin Macauley Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. In the depths of New York City, there s a whole world that a large majority of the population will never be privy to. Gang wars, drug dealing, police tensions, wrathful communities and inherent racism all prove to contribute to an underworld that George E. Brooks, in his years as a taxi driver, has been let into. George s experiences and stories are all based on true stories, and he leaves out no detail as he shares them with us. From incestuous families, to violent drug wars, to female soldiers plotting revenge on the men who raped them whilst in service, George s stories are bold, shocking and never boring. Not for the faint of heart, read ahead to learn some of the injustices, the battles and the lustful escapades that have been going on in the streets of New York in recent years.
