HarperCollins Publishers Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. No one holds a grudge quite like a faerie . . .All Colin Leffee wants is to be left alone: to run his used bookstore in peace, and to quietly drink himself to sleep every night in an attempt to drown out the memories of eight-hundred-plus years of existence.Unfortunately, when a sullen teenage changeling is flung out of Faerie and onto his doorstep, the long-suffering, wayward son of Titania knows his dreams of solitude are dust. Colin-or Lord Coilean, as he is known to the Faerie court-must track down Meggy, the love of his life, and figure out how her child ended up in Titania s clutches to begin with.But with family, it s never simple. He finds Meggy, only to have her yanked into Faerie-and the doors between the realms slammed and locked behind her. Now, it s not just her life at stake . . . but the fate of magic itself. Always the loner, Colin reluctantly joins forces with an intensely stubborn wizard, a young priest-in-training who fancies himself a knight, and his half brother Robin (the last most definitely not by choice) on a quest to reopen the doors and restore the balance between the realms. And with exiled queen Mab plotting in the shadows to take Titania s throne, and the wizards of the governing Arcanum hiding their own agenda, Colin can t be sure whom to trust-or whether he ll live long enough to see the mission through.
